

<b>Product Code</b> SDS-CT-OFF-04	<b>Nominal Dimensions</b> 11" x 6" x 2"	
<b>Description</b> <p>The Offset Connector 4 Inch greatly simplifies and expedites installation of Secure Raceway around a column with a 4" depth. Offset Connectors reduce the number of parts previously required to mount the raceway around a column, providing a cleaner appearance and reducing material and labor costs. Like a straight section of Secure Raceway, Offset Connectors consist of two components – the Raceway and TopCap. Two manufactured mounting points at each end simplify attachment to the wall. The Offset Connector 4 Inch is conveniently packaged in sets of two connectors (Product Code: SDS-CT-COL-01). Refer to the SDS-CT-COL-01 data sheet for installation guidelines.</p>		
<b>Specifications</b> <ul style="list-style-type: none"> <li>• 16-gauge electro-galvanized steel</li> <li>• Components:           <ul style="list-style-type: none"> <li>- High Security Raceway: Length 11" x Width 6" x Height 1.8"</li> <li>- High Security TopCap: Length 11" x Width 6" x Height 1.9"</li> </ul> </li> <li>• Total Weight: 2.30 lbs</li> <li>• Two (2) manufactured mounting points in each Raceway section           <ul style="list-style-type: none"> <li>- 1.5" from each end</li> <li>- Located along center line</li> </ul> </li> </ul> <p>Powder Coat Finish: White Textured</p>
