

<b>Product Code</b> SDS-RW-SPR-WT6	<b>Nominal Dimensions</b> 6.0" x 1.0"	
<b>Description</b> <p>The Raceway Spacers are used as a standoff to provide 360-degree inspection of the Secure Raceway. The longer 6" Raceway Spacers provide a convenient solution when installing Secure Raceway on walls with uneven depths or irregular surfaces. Six-inch Spacers can be cut to the required lengths thereby allowing a consistent standoff depth along a section of Secure Raceway. Raceway Spacers are supplied in quantities of one and are only available in a neutral white color providing enhanced aesthetic appearance.</p>
